1994 WALLABY CLUB CENTENARY ITEMS.

In 1994, to celebrate the Wallaby Club’s hundredth year of existence, the Club commissioned two limited edition art pieces from Geoff Stocks, a member and artist, and his potter wife Narelle Stocks.

Geoff produced the lovely print of a wallaby shown below, which was recently donated to the Club, whilst Narelle produced the glazed earthenware plate, an example of which Mick Dexter kindly provided to be photographed at a recent walk.
